## For Mac Eyes Only Changing Ipad Perspectives For Mac

“Chinese iPhone vendors reportedly received the word from Apple that they can offer discounts on the iPhone 8, iPhone 8 Plus, iPhone XR, iPhone XS, and iPhone XS Max.. “Apple has slashed the prices of certain iPhone models in China,” Luke Dormehl reports for Cult of Mac.. ” “Of these, the biggest price reduction amounts to around \$66 off the price off the iPhone XR,” Dormehl reports.. “Other iPhones are receiving price cuts of around \$59 ” “Whether the price cut will have a noticeable effect on its fortunes in China remains to be seen,” Dormehl reports.
